Product Parameters

Communication: TCP/IP
Working Voltage: DC12V±10%/500mA
User: 20000
Record: 70000
Recognition Mode: RFID \ Password
Wiegand Input: 1
Wiegand26-34
Exit Button Input: 1

Door-magnet Input: 1
Alarm Output: 1
Alarm Input: 1
Lock Control Output: 1
Working Humidity 20%~60%
Working Temperature -10℃~45℃
Size: L122XW77XH39mm

Product Package

WALL

Positioning Sticker

Shell Screw

8pin

10pin

4pin

Product | Hexagon Screwdriver | Rubber plug / Self-tapping Screw | User Manual | Crystal Connector | Connecting Cable | Positioning Sticker
